Name: Don R. Olson

Office: Councilmember

District: [If the office represents a district, insert the district number]

E-mail address: donrolson@yahoo.com

Website: [Insert the URL for the candidate's campaign website]

Age: 51

Occupation: Self-employed; Farmer/Rancher

Residence: Ephraim

Years at residence: 51

Qualifications: I loved growing up in our small town, riding my bike around town where we probably knew everyone by name. Many changes have occurred over the past 40 years; we now have a sewer system which is available to most residents, as well as paved roads, curb, gutter and sidewalks, and the best water system in the valley.

If elected I will use the same good judgment in making decisions and improvements to our city as those preceding me. I have served eight years as a member of the City Council. We completed different projects such as our new city building, the fire station, lights at the ball park, up-grades to the infrastructure, a new sewer lagoon and improvements to our mountain springs. These things were accomplished because we worked together as a Council. During that time I also served two years on the League of Cities and Towns' Board of Directors, two years on the League Policy Committee, and one year on the Joint Highway Committee.

I look forward to serving my community again and maintaining the small home-town feeling I love. I will continue to look for things in the future that would improve our community.
